Let's discuss tomorrow afternoon... maybe we could do a conference call when the evidence window closes?

Hi Julie,

I met with the DA today, and he will send a letter out to the eight towns on your list of Worcester County towns which you want us to take over. He objects, however, to taking Athol, since they go to a different court. But all the others will be notified. If you want, you can tell the evidence officers from those towns, to contact us for a good day and time to come. 508-856-6275

Additionally, we can also try to take a city or some towns on a temporary basis to help you folks with your backlog. Why don't we try about 100 a month. We are at quite a lull, here, but I am expecting things to turn around and I don't want to get into a backlog situation. Maybe we can take it one month at a time.

Regards,

Ellen

Hi Ellen,

I would like to instruct the Worcester County towns who are bringing drugs to Amherst that effective January 12th that they should bring samples to your facility. Are there special considerations, times etc that I should include in the notification? I'll be out 12/24 and 12/26. Please give me a call next week (if you're in) to discuss.

Julie
